SUMMARY

Motivated and enthusiastic B.Tech student at Guru Gobind Singh Indraprasth University with a CGPA of 8.6/10. Passionate about software development and continuously improving programming skills through hands-on projects and coding practice. Strong foundation in Java, web development, and Object-Oriented Programming. Eager to contribute to real-world software projects, learn from experienced professionals, and develop innovative solutions in a collaborative environment.

EDUCATION

Guru Gobind Singh Indraprasth University

2024 – 2028 (Expected)

Bachelor of Technology (B.Tech)

- CGPA: 8.6/10

TECHNICAL SKILLS

Programming Languages

- Java
- JavaScript
- HTML5
- CSS3

Frontend

- React.js
- Responsive Web Design

Core Concepts

- Object-Oriented Programming (OOP)
- Basic Data Structures
- Problem Solving

Tools

- Git
- Visual Studio Code

PROJECTS

Expense Tracker

Technologies: Java

- Developed a console-based application to manage daily expenses.
- Implemented features to add, update, and delete expense records.
- Calculated total expenses and categorized transactions.
- Applied Object-Oriented Programming concepts and Java fundamentals.

Student Management System

Technologies: Java

- Developed a Java-based application to manage student records.
- Implemented functionalities to add, search, update, and delete student details.
- Used Object-Oriented Programming principles for efficient data management.
- Designed a simple menu-driven interface for ease of use.

Portfolio Website

Technologies: HTML, CSS

- Designed and developed a responsive personal portfolio website.
- Showcased personal profile, technical skills, and projects.
- Optimized the website for desktop and mobile devices.

To-Do List Application

Technologies: HTML, CSS, JavaScript

- Developed a task management application to organize daily activities.
- Implemented features to add, complete, and delete tasks.
- Used JavaScript DOM manipulation to provide an interactive user experience.

RELEVANT COURSEWORK

- Data Structures
- Object-Oriented Programming
- Database Management Systems
- Operating Systems
- Computer Networks
- Web Development

ACHIEVEMENTS

- Maintained a CGPA of 8.6/10.
- Regularly practice Java programming and Data Structures & Algorithms.
- Continuously improving software development skills by building practical projects and solving coding problems.

SOFT SKILLS

Problem Solving | Team Collaboration | Communication | Adaptability | Time Management | Quick Learner

LANGUAGES

- English
- Hindi

INTERESTS

- Software Development
- Web Development
- Artificial Intelligence
- Open Source Technologies
- Learning New Technologies
